**INSTRUCTIONS:**

1. The most efficient submission process is electronic. All forms are available on the HOA website: [www.cedarpassranch.org](http://www.cedarpassranch.org).
2. Please review the CC&Rs to ensure compliance before submitting the application.
3. Submit this form, along with all required plans and documents, by email to any member of the Architectural Committee. Email addresses are on the HOA website.
4. Get Architectural Committee approval before submitting plans to the city.
5. Please include, in PDF, JPEG, or other image format:
  - a. An overhead view of your lot, showing placement of fences, buildings, landscaping, etc. This can be hand sketched, or satellite view.
  - b. A plan view of the structures, showing dimensions, property set backs, etc.
  - c. A cross section view of the structures, showing height and roof pitch.
  - d. Examples of external materials and colors (siding, roofing, fencing, etc.).
  - e. Any other information relevant to assessing your project for CC&R compliance and for architectural compatibility.

Note: There is no fee for Project Applications.
